Preschool Summer Classes

Creative Kids

Ages: 2 ½ -6 year olds

Schedule: Mornings OR Full Days

Instructor: Elicia Holt

All kids love art because it is fun, creative, and even a bit messy at times. Come enjoy art indoors and outdoors as we make and create one-of-a-kind pieces that are practically museum quality (if you're into abstract art). We'll be drawing, coloring, crafting, and creating using every medium we can get our hands on and into. Our walls will become spectacular art exhibits for all to see and for us to take pride in. Have you taken this class before? Have no fear! We have completely new projects this year! Let's get creative!

Summer Bookworms

Ages: 2 ½ -6 year olds

Schedule: Mornings OR Full Days

Instructor: Fahema Oweis

Come and crawl through loads of good books and tons of fun! Each day we'll read a new book and let it inspire us to do oodles of related activities. *If You Give a Mouse a Cookie, Green Eggs and Ham, Skippy John Jones, Dragons Love Tacos,* are just a few of the books we'll read. We'll then have related literacy skills, art and STEM lessons that make the stories come to life. Children will also participate in all the other activities that a healthy preschooler should have including gross motor, fine motor, and healthy exercise and play. Oh what a great time we'll have!

Growing Fit

Ages: 2 ½ -6 year olds

Schedule: Mornings OR Full Days

Instructor: Connie Schweitzer

Join us as we grow fit this summer by spending our time outside exercising and exploring the **GARDEN!** In the mornings we will learn fun new ways to exercise our bodies before exploring and learning about plants, birds, insects and weather in the garden. To beat the heat in the afternoons, we will spend time playing with friends during crafts and fun activities. We cannot wait to have fun and be active this summer!

Flow and Grow

Ages: 2 ½ -6 year olds

Schedule: Mornings OR Full Days

Instructor: Kristin Baca

Calling all growing kids who love to move! In our Flow and Grow yoga class, students will learn yoga poses, flexibility, strength, and breathing/relaxation techniques that can be carried into day-to-day routines! We will read and learn about healthy ways to fuel our body for all the fun we'll have. We will also enjoy working our fine motor skills with group time activities and crafts such as, making lavender play-doh, homemade sensory jars, and tie dye. We look forward to flowing with you this summer!
