

Homework Help is a program designed just for your Second or Third Grader. What a great opportunity to begin the week without homework hassles!

Please understand that this program is designed to provide a quiet work environment, reminders to stay on task, and assistance as needed.

It should not be expected that individual tutoring for a student will occur. Additionally, homework will not be graded for accuracy as students complete it. It is still necessary for parents to verify that ALL homework has been completed with effort and accuracy.

When: Mondays from 3:15-4:15, January 10 - May 23

*Any student not picked up by 4:15 PM will be taken to daycare.

Where: Ms. Jaramillo's Classroom

Who: 2nd & 3rd Graders

Cost: \$180 *Please make checks payable to **Michelle Jaramillo**.

Detach and return to the office the bottom portion of this form with payment.

In-person registration only. Please do not respond by email or phone.

Homework Help (Mondays)
