

LEGO Engineering Club

Grades 3-5

Wednesdays 3:15-4:15*

Mrs. Cervantes - Science Lab

January 5, 2022 - May 25, 2022

\$180

LEGO Engineering Club is a building block to promote science, technology, engineering, and mathematics (STEM) at an introductory level. Come build super-cool cars, catapults, and go-carts that use gears, axels, levers, and pulleys. You'll also be challenged to build famous structures from around the world.

Please make checks payable to **Caroline Cervantes**. Please complete and return the bottom portion of this form with payment to the office.

*Students who are not picked up 4:25 will be taken to daycare. Please be sure to tell your child if you will be picking them up or if they will need to go to daycare.
